

Competitor Bulletin #1

July 30, 2017

1. With respect to Section 6.1 of the Supplementary Regulations, the following will be considered stage or pace notes: any stage or pace notes not made in the SSR route book during a previous running of the same stage during the SSR. During the running of the event means from when you enter the Parc Expose at the start until the time you check in at the final MTC. And yes, we will be checking. If you have any reference books from Sno*Drift leave them at home.
2. With respect to Section 12.1 of the Supplementary Regulations, Service spots may not be 20 x 50 ft due to ongoing renovations at the school. Every effort will be made to accommodate reasonable requests for service space.
3. There will be no food or drinks available at the Atlanta High School. Teams and Service Crews should plan accordingly.
